Navale Residencial is a new residential beside Las Dunas nature park and the sea in Guardamar del Segura. The project consists in one building with 10 floors and on each floor two modern apartments with sunny balconies and amazing views. All the apartments have an open plan layout between the kitchen and the living room, two spacious bedrooms with fitted wardrobes and two bathrooms from which one en-suite with the main bedroom. The ground floor apartments offer two big terraces, one in the front side and the other in the backside of the apartment, with plenty of space for your terrace furniture and sun beds. The floors one to nine have sunny balconies with amazing views over the Mediterranean coast. The magnificent terraces have been designed in all the properties that extend from the living room, giving a sensation of space and freedom. The apartments have been designed for maximum privacy, with large terraces overlooking the sea and spacious communal areas with a swimming pool and green areas where you can relax and enjoy the surroundings. Each property has a ventilated storage room with electricity and light, and the penthouse has a double storage room. At Navale Residencial you will have all the services at your fingertips, including supermarkets, chemists, public transport and it is only 5 minutes from the centre of Guardamar. The surroundings have a special charm. Not only thanks to its idyllic beaches, but also due to its traditional commercial offer, a wide and varied gastronomic offer, inland routes, hiking trails from the Pinada itself in front of the residential complex and all kinds of sports activities. In few minutes you can reach the beach, the amazing park "Alfonso XIII" or the harbor of Guardamar. Within a short driving distance there is the popular town of Torre Vieja, as well as several golf courses as La Marquesa golf, La Finca golf or Villamartin golf. Located 25km from the International Airport and 45 minutes from Alicante city and its high-speed train station.
