For sale a private tourist apartment urbanization in a consolidated environment, with spectacular gardens and facilities, just step away from the beach and nature. The first phase has 82 tourist apartments with 1, 2, 3 and 4 bedrooms from 80m2 built plus terraces and outdoor spaces, with garage and storage room. The apartments have been designed to achieve wider proportions, luminosity, quality and a distribution that connects the exterior spaces with the interiors. If there is something that makes the Delfin Natura apartments unique, it is their large gardens on the ground floor and their spacious terraces, with surfaces between 20 and more than 130 m2, from where you can see the sea and the Natural Park. Urbanization is located on a 30,000m2 plot within a fully consolidated environment and in the best location of Playa del Albir. Surrounding the buildings and at different levels of the interior urbanization, there will be different ornamental fountains and several swimming pools. Additionally, it will have also a heated indoor swimming pool. Next to the outdoor pools areas there will be a Pool Bar and a Sun Deck equipped with sun loungers, umbrellas and different furniture to sunbathe in style. The urbanization will count with a fruit and vegetable grove that will be reminiscence of the origins of the traditional agriculture in the Albir area in which, by means of plantation in terraces, the land was exploited agriculturally. The Tennis and Paddle courts will be integrated in the landscaping. The development will have co-working and specific facilities to be able to tele-work from the resort. The Delfin Natura urbanization has been conceived as a space free of roads for vehicles on the floors above ground. It can only be circulated on foot or by bike.
