El Pino de la Herrada is a stunning collection of just four individual villas in the heart of Los Montesinos. The two-storey properties comprise of three double bedrooms (all with fitted wardrobes, direct access to a huge terrace from the two first floor bedrooms), three bathrooms (two with baths, en-suite to the master bedroom), fully-fitted modern kitchen with breakfast bar (including white goods), spacious open-plan living/dining area and rooftop solarium, accessed via stairs from the first floor, offering marvellous views of the Torrevieja and La Mata salt lakes. Outside the property there is a generous garden with off-street parking area and private swimming pool. Los Montesinos is a typical Spanish village, located in rural surroundings, which has a lovely church square with a selection of bars and restaurants - perfect for enjoying a relaxing afternoon or evening. The development is ideally situated just five minutes from Pinada de Guardamar (pine forests) and the blue-flag beach of Guardamar, as well as being only ten minutes from Torrevieja city centre with its many shops, bars, restaurants and amenities. The championship golf courses of La Finca and La Marquesa are both just a short drive from the properties. Many acres of orange groves carpet the land in this part of the Costa Blanca, bringing the sweet smell of orange blossom in the spring.
