A modern and functional design based on comfort with wide open spaces to enjoy. Spacious and modern spaces dedicated to the kitchen, living and dining room, bedrooms and terraces. It will also have a big community pool and outdoor parking for each apartment in a gated complex. The residential is located very close to the port of Guardamar Del Segura, its pine forest and beaches, highlighting the shopping area, with all the necessary services that are next to the residential. Guardamar del Segura is a coastal town located in the province of Alicante. The dunes of Guardamar are an oasis of nature next to the sea of 800 hectares. Beaches such as El Rebollo are one of the most famous sandy beaches in Alicante. The Segura, one of the most important rivers in Spain, flows into the municipality. It has a nautical port. The town is also known for its pine forest, planted at the beginning of the 20th century to halt the advance of the mobile coastal dunes which until then had invaded the surrounding farmland. In addition to its natural attractions, Guardamar del Segura has a charming town center with historic architecture, shops, restaurants, and cafes. The town hosts various cultural events and festivals throughout the year, allowing visitors to experience the local culture and traditions. Overall, Guardamar del Segura offers a perfect blend of sun, sea, nature, and culture, making it a popular destination for both domestic and international travelers. Guardamar, also has excellent communications with Alicante and Torrevieja, through the N-332. Alicante airport is just 30 minutes away
