The Enora Garden is a project of new-build maisonettes with a mediterranean design in a very good location in Ciudad Quesada. Here you can choose between two types of maisonettes, 'Bianca' with two bedrooms or 'Jazmin' with three bedrooms. Ground floors or top floors, all of them built with high standards and very good qualities. The 'Bianca' model offers an open plan layout between the living room and the kitchen, two spacious bedrooms and two bathrooms, with one en-suite. On this model the ground floor apartments have spacious gardens meanwhile the top floor apartments offer large roof terraces. The 'Jazmin' model features an open plan layout between the living room and the kitchen, three double bedrooms with fitted wardrobes and two bathrooms, with one en-suite from the main bedroom. The ground floor maisonettes have huge gardens meanwhile the top floor has a very big roof terrace. The maisonettes belong to a gated community with lovely green areas and communal swimming pool. All the properties have a private parking space included. The area of Ciudad Quesada is nestled between Guardamar and Torrevieja and has a cosmopolitan and friendly atmosphere. It has all the amenities you could wish for within easy reach. Shops, banks, supermarkets, restaurants and bars are plentiful, along with an Aqua Park. There are five golf courses for players of all abilities within a 20 minute drive including La Marquesa Golf club and the 2008 PGA Championship course at La Finca. One of the highlights of the area is the leisure area of the Hotel La Laguna where you can enjoy spa and beauty treatments without having to be a hotel guest. There are also weekly markets in Quesada, Guardamar, Benjiofar, Torrevieja and Rojales.
