Miami Towers is a unique project of first line tourist Apartments that combines an exclusive design, an unbeatable location and a superior luxury concept. Towers in which the exclusivity of their 3 bedroom and 2 bathroom tourist apartments has been taken maximum care of, down to the last detail and thanks to their determined commitment to architecture, interior design and design. Nestled directly on a pristine white sandy beach along the captivating Mediterranean Sea, the apartments offer unparalleled views of the horizon. Immerse yourself in spacious, light-filled interiors designed to elevate your living experience. With 116 exclusive apartments, each meticulously crafted to perfection, every detail exudes elegance and sophistication. Experience the epitome of coastal living as you watch the breathtaking sunset from your private terrace, a daily ritual that embodies serenity and relaxation. This unique seaside project will offer numerous services for your utmost comfort, such as: reception, beach club, infinity pool, heated pool, spa, gym, childcare service…You will be able to enjoy the salty breeze and endless views of the Mediterranean from your terrace every day. There is underground parking ensuring both security and convenience. An undeniable option for enjoying vacations, but also promoting high profitability when opting for regulated options in professional tourist rentals. Complying with all tourism regulations and licenses, furniture equipment, reception, cleaning, and other criteria, the apartments will have a delegated manager who will take care of all rental management on dates agreed upon with the homeowner. Its exceptional location, on the beachfront, allows you to delight in the natural beauty of the Mediterranean, on the one hand, and, on the other, a lagoon of warm, shallow and open waters. Miami Towers Spain is one of the first tourist resorts in the world that allows you to immerse yourself in the waters of two seas and enjoy both the sunrise and the sunset from the terrace. Thanks to the excellent infrastructure, you can reach the airports of Murcia and Alicante in 30 and 70 minutes respectively. Trains from Cartagena connect to Madrid, Barcelona, and the rest of Europe.
