This brand new modern residential is located in the popular village of Benijofar. There are apartments with a choice of two or three bedrooms and two bathrooms. There is also the option of a penthouse which has a large private solarium, where you can enjoy the beautiful summer sunsets and mountain views. In addition, this residential has a large green area with a swimming pool for all owners, as well as optional parking and storage. These homes are located just a short walk from all the amenities that Benijofar has to offer and close to the popular Ciudad Quesada area of the Costa Blanca South. Benijofar is a 'hidden pearl' amongst the orange fields only a few kilometres inland from Guardamar del Segura along with some of the best beaches the area has to offer. This popular village has its own church and plaza surrounded by lots of cafés and restaurants, there are also banks, shops, grocery stores and a butcher, schools and a medical centre, a library, several parks and a bus service to larger town such as Almoradi, Guardamar and Torrevecija. Benijofar is the perfect choice for those who want to be close to the beach towns, but far enough to be able to enjoy the quiet life in a Spanish pueblo. It is also excellent for those looking to spend more time here, since it has a lively community all year around, with many events and happenings. The town itself has kept a lot of its old architectural style, and you find little cobblestone streets with the typical pueblo houses. Along with beaches just a short drive away there are a number of golf courses within a 5-10 minute drive. Benijofar is also very near the AP7 motorway which leads you directly to Alicante airport in just 30 minutes.
