Enjoy the life of Denia in Tossal Gross, a contemporary residential area located in one of the best areas of this coastal city and overlooking the Montgó, just a stone's throw from the sea and the centre. This residential is made up of 3-storey semi detached houses with the option of 2 or 3 bedrooms with 158m² of private plot and where natural light acts as a great protagonist. Outside, parking for 2 vehicles and common areas with children's games and a large swimming pool for children and adults with its garden areas. With the Mediterranean climate that characterizes this area, the exterior areas of the house are enjoyed more than ever: a garden on the ground floor with a dining table and another chill out area with low armchairs, which communicates with the living-dining room with a large sliding glass door. Live in unique surroundings between Valencia, with its City of Arts and Sciences, and Benidorm, with its wide range of leisure activities. Denia is the capital of the Marina Alta, consolidated as a cosmopolitan and modern city that offers all kinds of services. It is a very interesting tourist destination, both for the breadth of its offerings, as well as for the high quality of its products.
