This excellent villa is located in one of the best residential areas of Finestrat (Alicante), very well located and with views of garden areas and the mountains. It has a spacious private plot, magnificently conditioned. It is a totally exterior property, very spacious and bright, with excellent distribution on its two floors and great possibilities to give it our personal style. The plot, conditioned as a garden, very well fenced and with automatic irrigation, offers us total privacy to enjoy its pool, its vegetation and its barbecue with dining area. With a solid and first-class construction, its condition is impeccable and is covered with high quality, with marble and natural ceramic floors, centralized AA.CC with heat pump, natural gas installation, reinforced door, bars, white lacquered carpentry, plasterboard chamber ceilings and double-glazed aluminum windows, among other improvements. The elegant hall leads to the spacious and fully bright living room with two rooms, from where we can contemplate the garden or gather by the fireplace. The modern kitchen, with an office area, is fully equipped, has all the appliances, has a utility room and is connected to the garden. The house has 4 large bedrooms with built-in wardrobes (two of them with an en-suite bathroom, dressing room and balcony overlooking the garden) and 4 full bathrooms. It also has a closed garage inside the house and a parking area on the plot. The villa is surrounded by a privileged and very quiet environment. It is worth remembering its privacy and, at the same time, its proximity to all possible services, its proximity to the urban centre and its excellent communications. A luxury home in the most prime residential area of Finestrat, for those who know how to appreciate the quality, exclusivity and possibilities it offers.
