Discover this charming apartment in Orihuela Costa, located in the idyllic area of La Zenia. It's just 300 meters from one of the best beaches on the Mediterranean and a short walk from the Zenia Boulevard shopping center, shops, a pharmacy, bars, and restaurants. The property is situated in an apartment building with a communal pool and gardens. It also includes parking within the communal area and a private, enclosed garage/storage room in the building's basement. This is especially important during the summer months when parking is more difficult and the population is higher, allowing you to easily park your vehicle and have space to store your car, suitcases, bicycles, and other belongings in your private garage. This retreat, perfect for year-round living or holidays, faces south-southwest and features a glazed terrace facing the morning sun and another glazed terrace facing the afternoon sun. During the winter, you can use them as a solarium, and the heat from these glazed outdoor areas can maintain a wonderful temperature in the rest of the house. In summer, the glass panels of the enclosures can be opened to let the sea breeze into the property for optimal ventilation. The house itself offers three comfortable double bedrooms, all of a good size and with built-in wardrobes, and two bathrooms with showers for greater convenience and easy access. The newly renovated and fully equipped kitchen is ready to inspire your culinary adventures and has a separate, enclosed utility room next to it so you can use the washing machine without disturbing the rest of the house. All of this opens onto a large living-dining room next to the spacious and bright main glazed terrace mentioned earlier. The white PVC windows with double glazing add comfort and both thermal and acoustic insulation for greater peace of mind and to enjoy the house all year round. This charming apartment features air conditioning in the bedrooms for comfortable sleep on warmer days, built-in wardrobes for added convenience, and two balconies perfect for enjoying a glass of wine at sunset. Located on a quiet corner, this apartment offers unobstructed views that invite relaxation. Just steps away, you'll find essential amenities such as buses, shops, medical centers, schools, golf courses, hospitals, and parks. La Zenia is a vibrant and lively town, ideal for an unforgettable holiday. This apartment is the perfect choice for those seeking a permanent residence for their family or a holiday retreat where comfort and convenience meet the charm and beauty of the Mediterranean.
