Your next home in La Florida is waiting... and it can be exactly as you imagine it. There are move-in ready homes... and then there are those rare opportunities that come along every now and then. This is one of them. We present this fantastic semi-detached villa located in Residencial Alandalus, one of the most peaceful and sought-after developments in La Florida (Orihuela Costa), where you can enjoy the quality of life you've always dreamed of. The property has 3 bedrooms, one of them on the ground floor, a highly valued feature for its convenience and versatility. It also features two full bathrooms, one of which is on the main floor, a welcoming living-dining room full of possibilities, and a separate kitchen with convenient access to the house. Outside, you'll find a porch perfect for enjoying the Mediterranean climate, a private garden of approximately 42 m², ideal for creating your favorite outdoor space, a terrace off the master bedroom, and a spacious solarium where you can soak up the sun practically year-round. And yes, let's be honest: the property needs a little TLC. It's empty and requires updating, but that's precisely where its greatest value lies. It's the perfect blank canvas to design a home entirely to your liking, without paying the extra cost of a renovation done by someone else. Transform every corner into the home you've always imagined and increase the value of your investment from day one. The complex has a lovely communal swimming pool, perfect for cooling off in the summer and enjoying the peaceful, family-friendly atmosphere that characterizes the residential area. The location is another of its major strengths. In just a few minutes you'll find supermarkets, restaurants, cafes, shopping centers, schools, leisure areas, golf courses and all the services you need for daily life, without having to travel far.
