New vila project, located in the Residencial Fanadix complex, surrounded by nature and located just 10 minutes from Calpe and Moraira. A development of 5 new Modern Villas in which each property has been designed specifically adapted to its own plot, exclusive with its own character, integrated into the surroundings and designed to enjoy our Mediterranean climate. Designed all on one floor, making this a practical and functional house. From the entrance you access the hallway, where you will find, on the right side, the fully-fitted kitchen, completely open to the dining room and living room, from where you can directly access the terrace and the outside porch and barbecue. On the left we access the night area, including 3 bedrooms each with large fitted wardrobes. The Master bedroom has an en-suite bathroom with dressing room, and the other two bedrooms share a bathroom. There is also a laundry area and guest WC. Outside, the inviting terrace includes a private pool and a relaxing area where you can enjoy the sun and dine 'al-fresco' at the barbecue. The surrounding gardens are charming and low-maintenance.
