These stunning villas which are located in Los Alcazares, have three bedrooms and two bathrooms, a private swimming pool and parking space on own plot. The residence consists of detached and semi-detached Ibiza style villas (choice of two models) on independent plots with terrace. The Mykonos model is a two level villa, on the ground floor of the house there is a spacious lounge with kitchen and dining area in bright, open plan. On this floor there is also a bedroom and a bathroom. The well-sized bedroom has sliding doors onto the pool. On the first floor you will find two further bedrooms and a bathroom as well as a spacious terrace with sun all day. The Santorini model is a one level villa with large living area, open kitchen fully furnished and three bedrooms, one of which is en suite, with a further two bathrooms and laundry room. Furthermore, this development comes equipped with pre-air conditioning, built-in wardrobes and landscaped garden. All properties have been carefully designed with quality materials. The development has a fantastic 18-hole golf course, Serena Golf which also features a driving range and clubhouse nearby, where you can enjoy a nice dinner overlooking the sea. There is an extensive network of bike paths that will replace the car as a means of transport. In the town of Los Alcazares you can find all of the services you can need, commercial and sport centres, restaurants, and lots more. Los Alcazares has a fantastic coastline with over seven kilometres of sandy beaches which give direct access to the warm waters of the Mar Menor. Parallel to these beaches and running the entire length of town is the extremely long promenade, which is great for walking and in the quieter winter months cycling. The street market is held every Tuesday morning in Los Alcazares and if you miss that one there is also one in Los Narejos on a Saturday morning. If that isn't enough there are always the two golf courses of La Serena and Roda Golf.
