Ciudad Quesada

38.07187927827001, -0.707244873046875

This independent villa is located in one of the most exclusive areas of Ciudad Quesada. It has a separate studio with an independent entrance equipped with a kitchen, a bathroom and a bedroom, air conditioning and plenty of storage space. The main house has three bedrooms and a bathroom, as well as a large kitchen and a dining room with exceptional views. The plot measures 485 square meters and the house has a constructed area of 211 meters. There is also a fantastic kidney-shaped swimming pool which, together with the large gardens around the house, make this an exceptional home both as a regular residence and as a holiday home. There are also solar panels installed that reduce energy consumption costs considerably. The house has split air conditioning and a modern infrared heating system in all rooms. Do not wait any longer to discover the house of your dreams.
