The Villas Victoria III is a new-build development consisting of three bedroom and two bathroom villas located in El Vergel, in the province of Alicante. The villas are built on plots of up to 380m² approximately, with first quality materials. The houses are on one level with terrace area on the ground floor and a large solarium on the first floor, which allows enjoying all hours of sun, every day of the year. The ground floor features three bedrooms, two bathrooms, living-dining room, kitchen, laundry room, large outdoor terraces with garden areas and optional private swimming pool. The upper floor is made up of a large solarium that you can adapt and decorate as you please according to your tastes and needs. This development is located in a quiet residential area between the towns of El Verger and Els Poblets, with green areas and numerous amenities such as restaurants, supermarkets and shops. El Vergel is located just five minutes by car from the beach, in a fully urbanized area, where shops and services are close at hand. The Segaria Mountains lie behind the town of El Verger. The Safari park and the neoclassical church are the famous tourist attractions of the city. This Spanish region enjoys a wonderful climate practically all year round, which is why it is chosen by many foreigners to live in during the winter months. This allows the area to have a lively atmosphere every month of the year.
