Don't miss the opportunity to discover this bargain in the center of Torrevieja. It is a very cozy apartment with a single bedroom, a living-dining room, a separate kitchen and a full bathroom, as well as a south-facing terrace that gives a lot of light to the apartment. The wall that separates the small room from the rest of the living room is not a load-bearing wall, so you can do without it and make an open loft. In addition, the residential has a community pool where you can cool off on the hottest days.
